Welcome to Chestnut Gardens

Chestnut Gardens provides both general aged care, and specialist aged mental health care, in two separate wings of a modern and welcoming home. Our 100 residents enjoy single or double rooms with ensuite bathrooms and lovely garden views.

We know your independence is important to you, and we will do all we can to help you maintain it. Whether you need permanent or respite care, our highly qualified and experienced staff are here to help.

Make the most of every day with us. Be active and engaged. We have beautiful gardens and our residents are encouraged to dine outdoors, develop their own gardens and be part of our lifestyle programmes. There is always something to do at Chestnut Gardens.

We would like to get to know you, and understand what you need and want. Together, we will create a flexible care plan which can adapt as your needs change. Call us on **(03) 9792 7799** to arrange a visit.
